

2009 – 2010

*Reflections Art Exhibit  
& Awards Program*

*Avon Grove  
Intermediate School*

Congratulations to all AGIS students with entries in this year's National PTA Reflections Program. For nearly 40 years, this national program has encouraged millions of students from preschool through grade 12 to express themselves artistically for fun and recognition in six areas: dance choreography, film production, literature, musical composition, photography, and visual arts. AGIS is proud to participate in Reflections and recognizes the students listed in this Program for their entries. Non-finalists may take artwork home tonight to be enjoyed for years to come. Finalists will have artwork forwarded to the Council Level for December review and recognition. Council finalists will be reviewed regionally and Regional finalists will be reviewed at State Level in early spring. State finalists will be forwarded to National PTA. All entries were evaluated by independent reviewers with professional experience in the Arts. We are grateful for their annual commitment to supporting our program. Finalists are based on evidence of creative ability and expression of this year's theme "Beauty is..."

**Next year's theme is ... TOGETHER WE CAN**

Thank you for supporting the Arts through the National PTA Reflections Program. We recognize Reflections Chairs Traci Kveragas (AGI) and Michelle Reilly (PLE) and AGI parents Nancy Giacomini, Marianne Jerrell, Barbara Lytle, and Kim Shavor. Thank you to our judges and Barbe Stecher (Village Frame & Art). We appreciate the help provided by AGI staff members Patricia Davis, Karen DellaVeechio, Gail Ferrigno and Mary Howie and support of Mr. Harvey, Mrs. Schrum, Mrs. Bove, and PTA President Leslie Wallace. Lastly, we thank all students, teachers and parents who helped make this year's Reflections Program a BEAUTIFUL success!
