excellence!

Student Achievement Results

October 2010

Strategic Plan Achievement Goals

Achievement Goal	Metric
Reading & Writing	PSSA
Mathematics	PSSA
Science	PSSA
Algebra II	Enrollment & Promotion Data
Advanced Placement	College Board Exam Report Enrollment Data
SAT	College Board Report
Dual Enrollment	Enrollment Data
Graduation Rate	Enrollment and Graduation Data

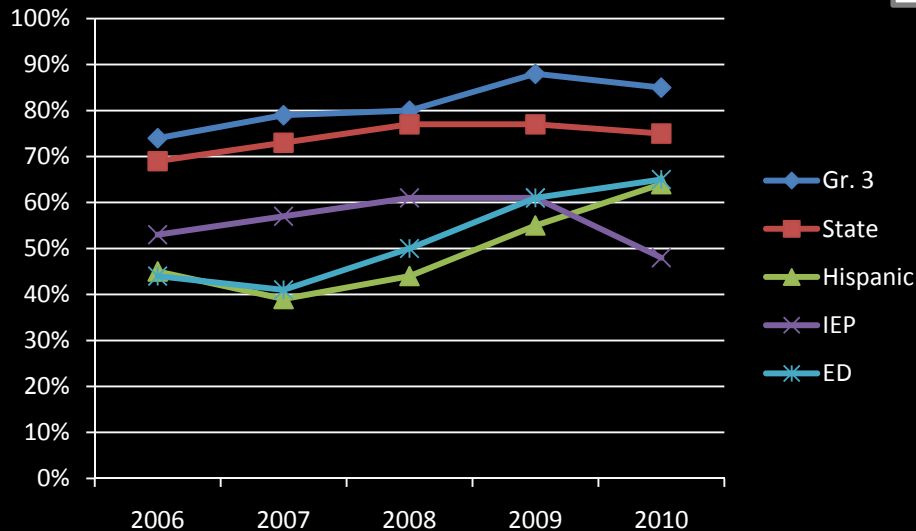

Adequate Yearly Progress 2009-2010

School		Targets
PLE		Met 2/2 Targets
AGI	Met AYP	Met 27/27 Targets
FSEMS	Met AYP	Met 21/21 Targets
AGHS	District Met AYP	Met 20/21 Targets Target Not Met: Latino/Hispanic Math

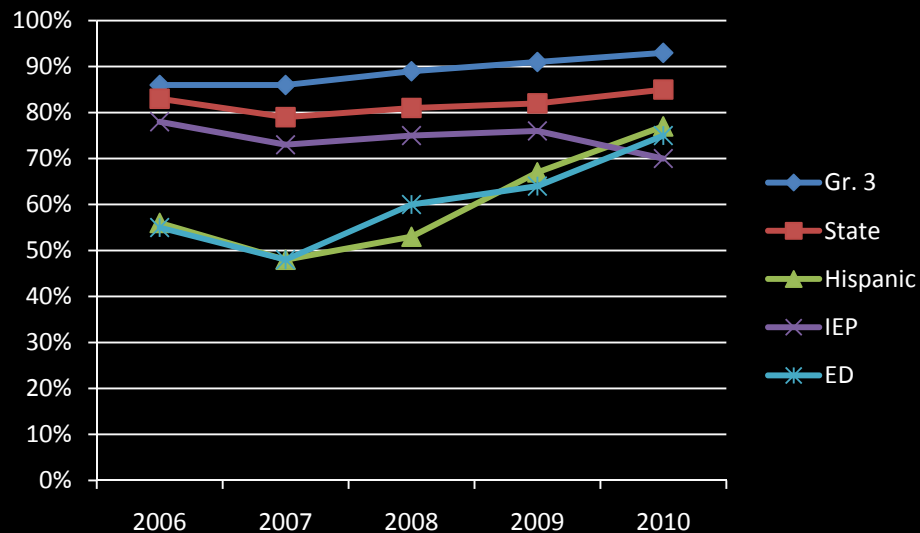

PSSA – GRADE 3

READING

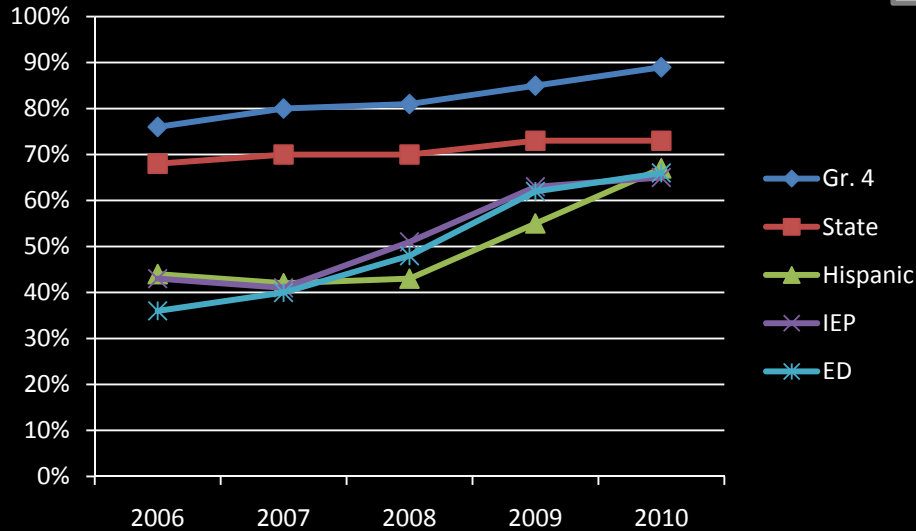

**95 % of students
proficient/advanced
by 2013**

MATHEMATICS

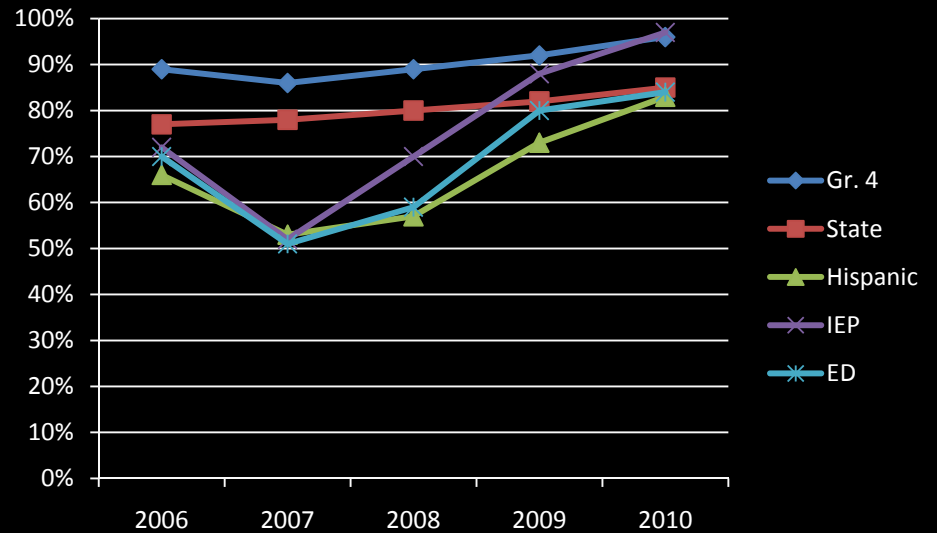

PSSA – GRADE 4

READING

95 % of students
proficient/advanced
by 2013

MATHEMATICS

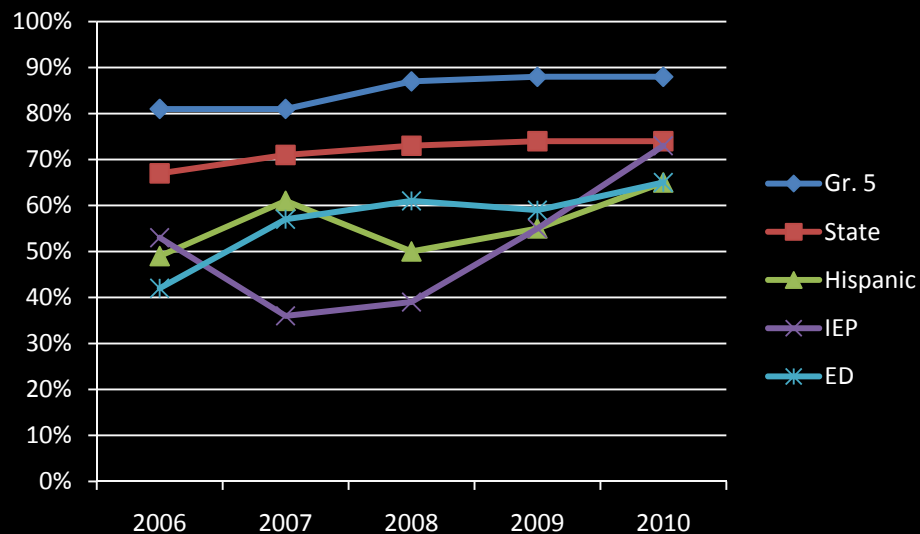

PSSA – GRADE 5

READING

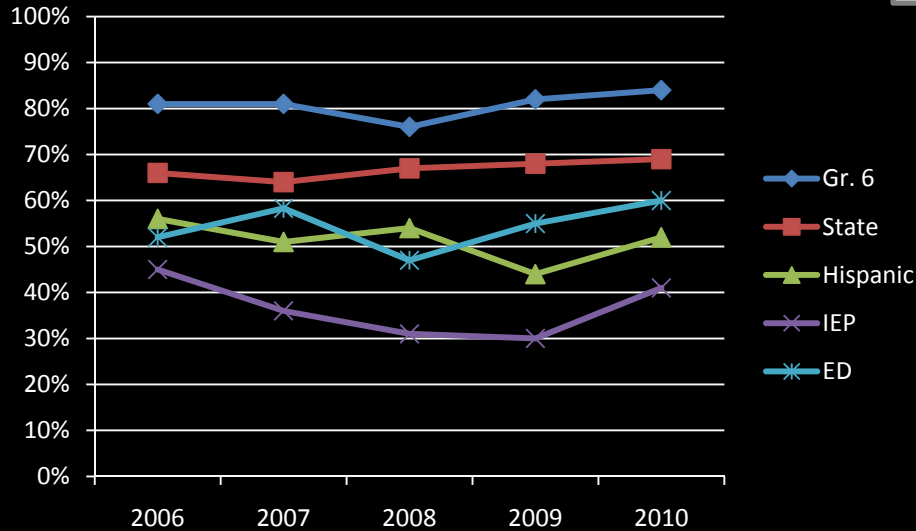

95 % of students
proficient/advanced
by 2013

MATHEMATICS

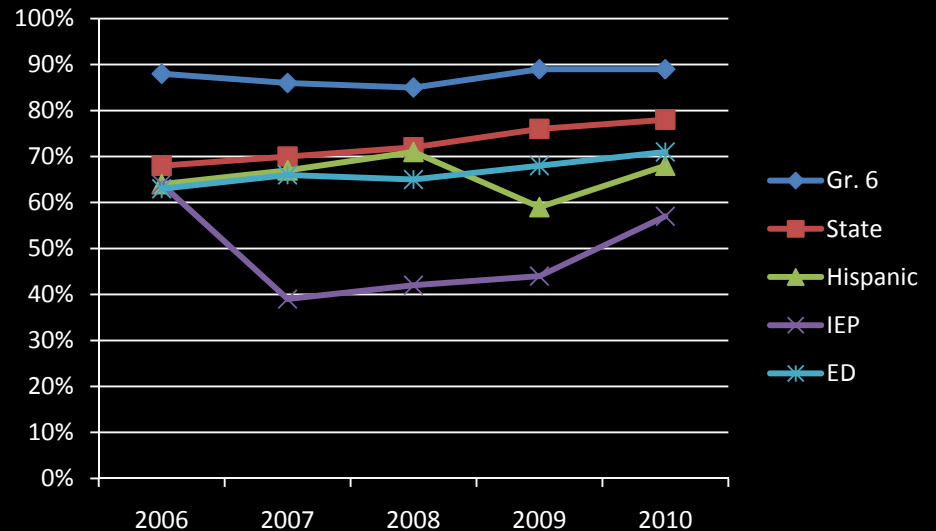

PSSA – GRADE 6

READING

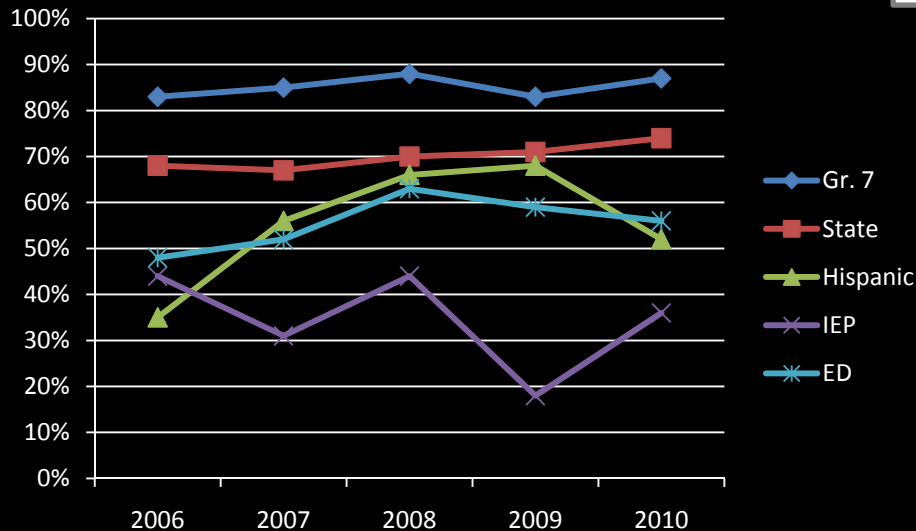

**95 % of students
proficient/advanced
by 2013**

MATHEMATICS

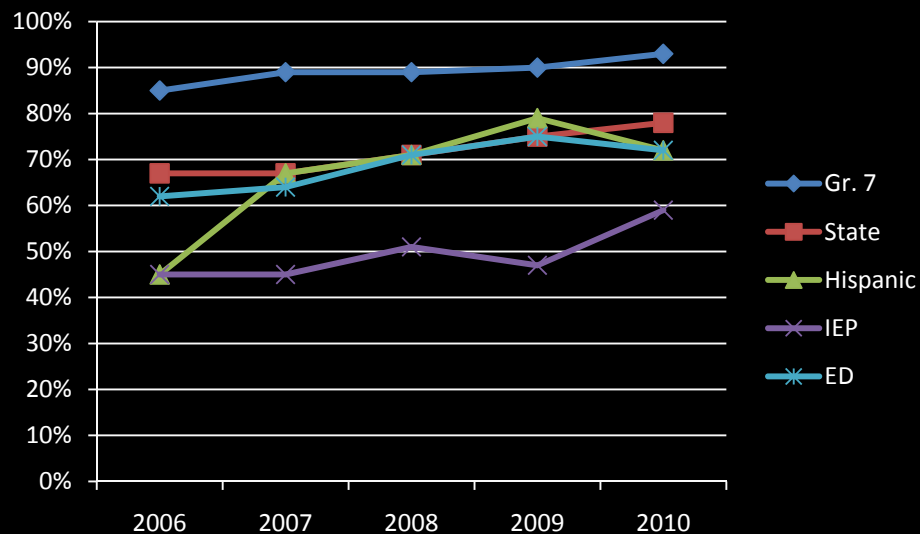

PSSA – GRADE 7

READING

95 % of students
proficient/advanced
by 2013

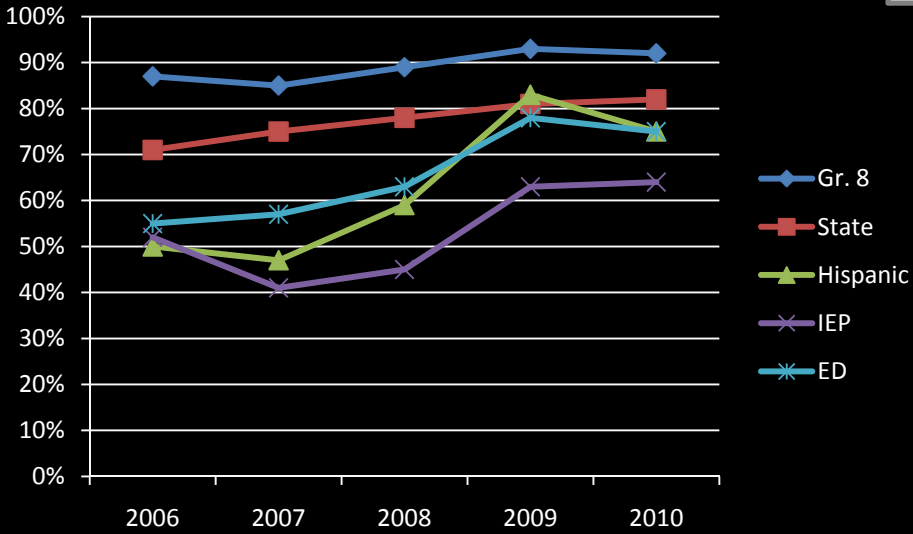

MATHEMATICS

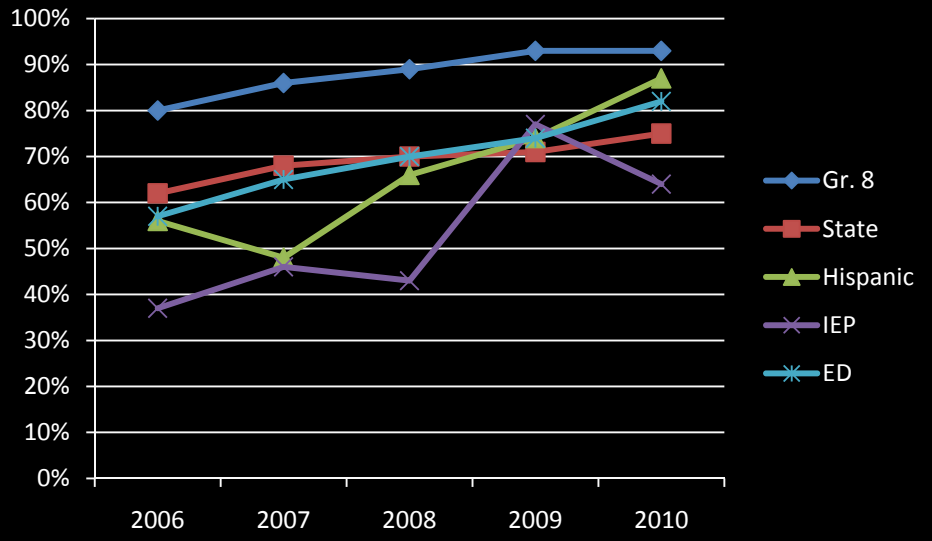

PSSA – GRADE 8

 **95 % of students proficient/advanced by 2013**

READING

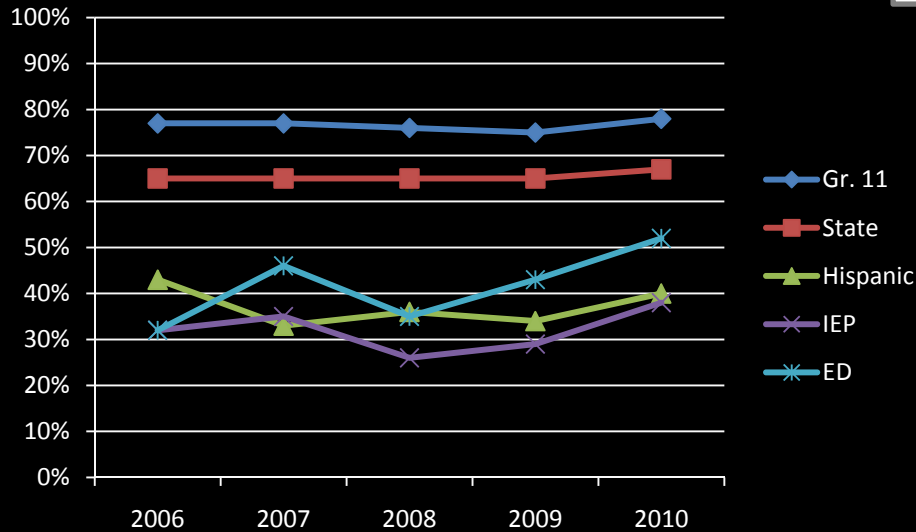

MATHEMATICS

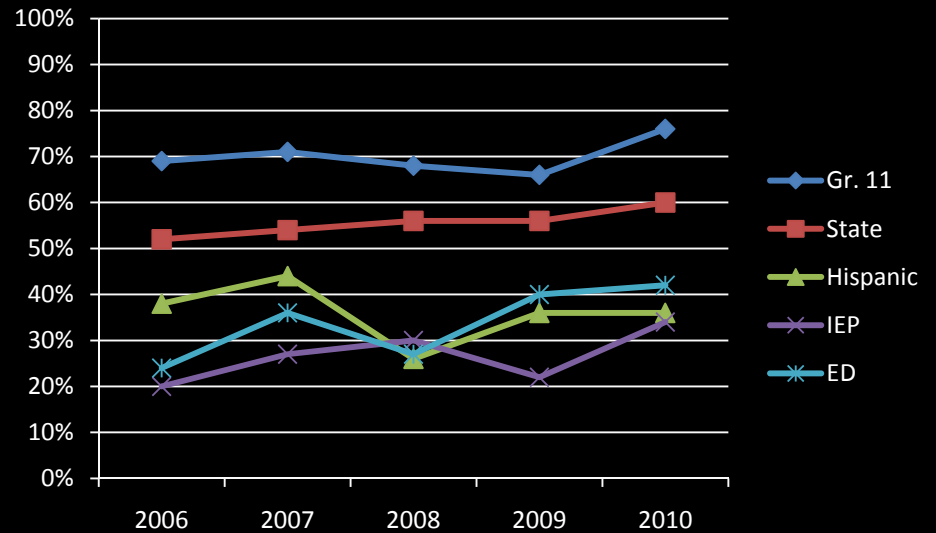

PSSA – GRADE 11

READING

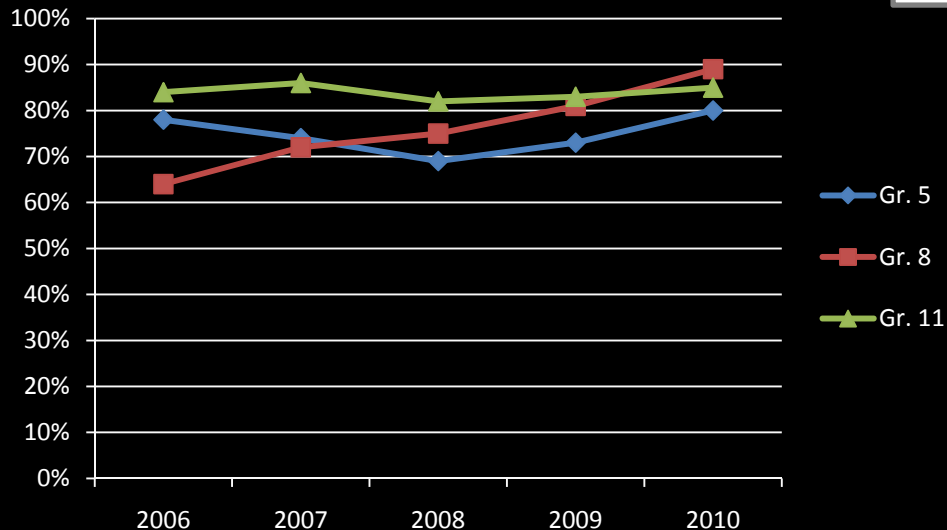

95 % of students
proficient/advanced
by 2013

MATHEMATICS

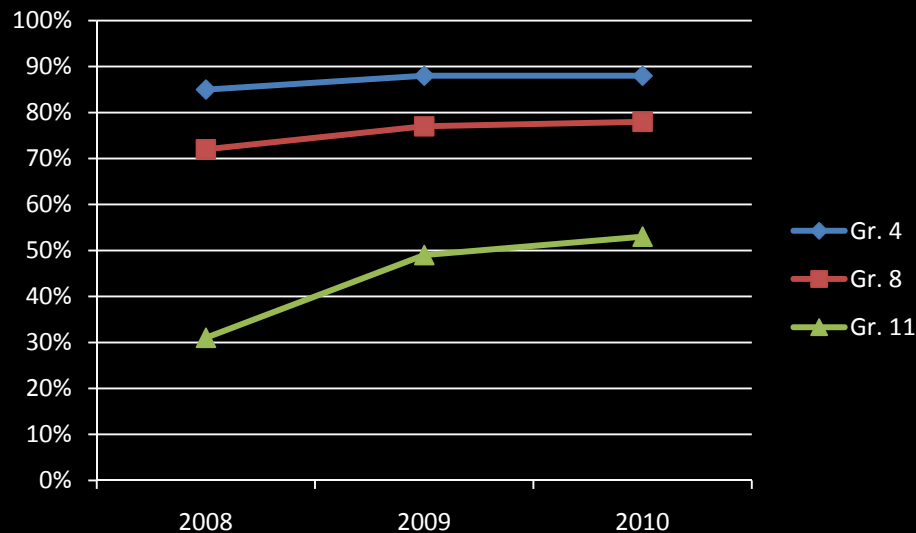

WRITING

Gr. 5, 8, 11

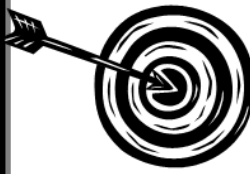

**95 % of students
proficient/advanced
by 2013**

SCIENCE**

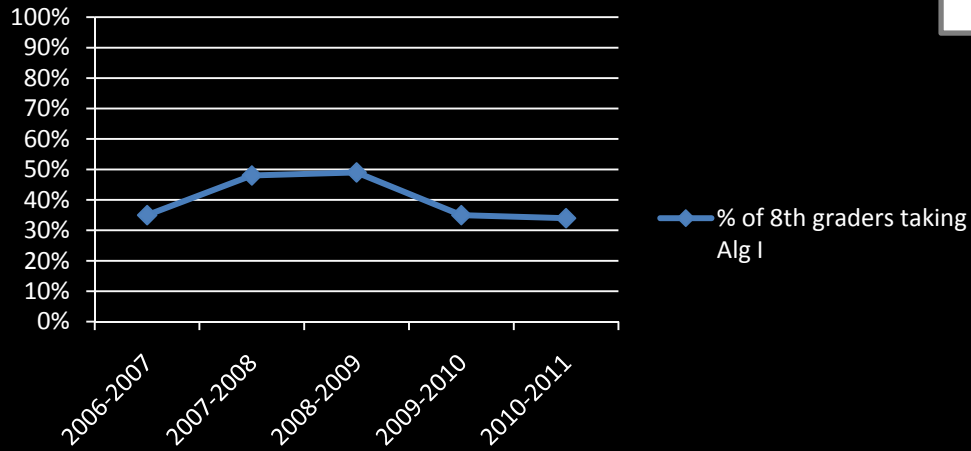

**** Upon availability from PDE, baseline PSSA data will be used to determine appropriate proficiency goal projections for 2013.**

Algebra

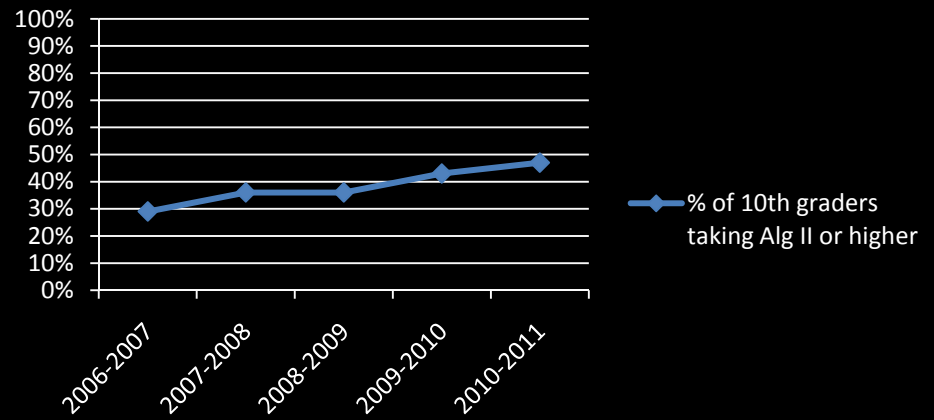

Increase the number of students successfully completing Algebra II by the end of grade 10.
Completion Rate (2013) = 50%

Percent of 8th graders taking Algebra I

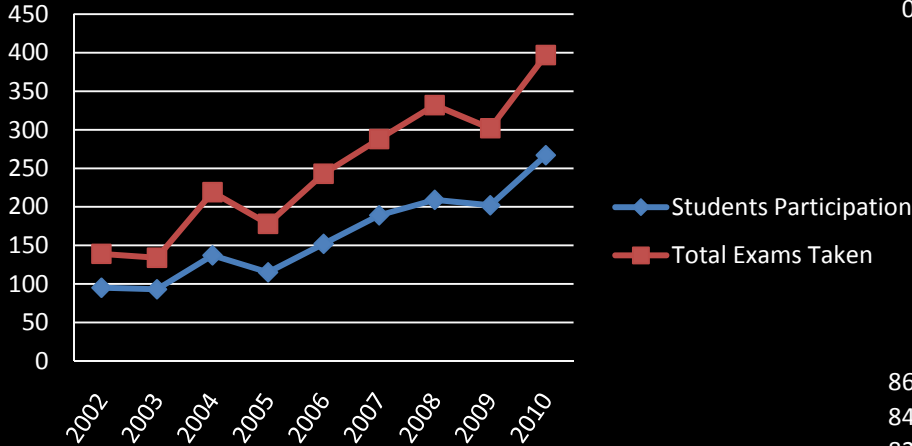

Percent of 10th graders taking Algebra II or higher

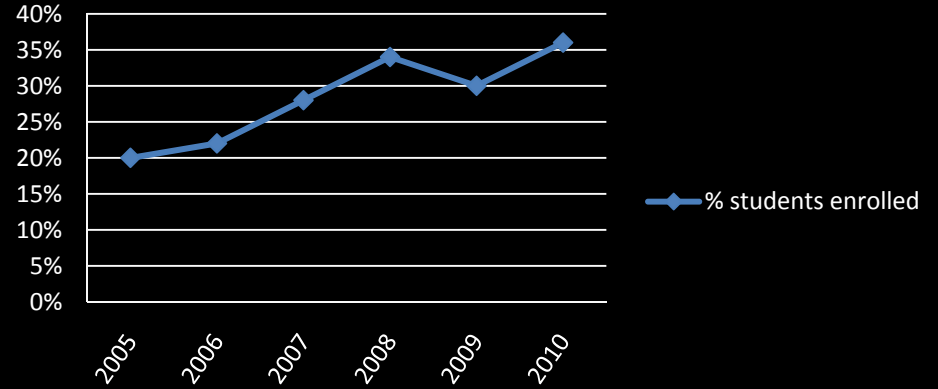

Advanced Placement Program

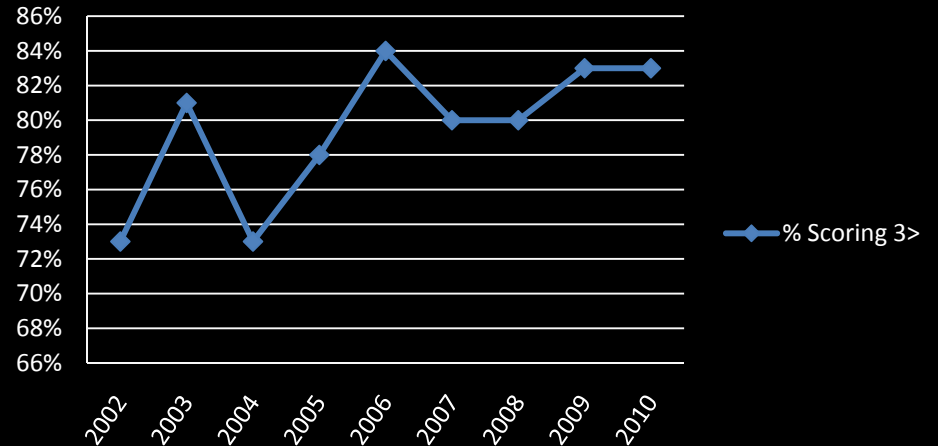

Participation & Exams

% of Juniors and Seniors enrolled in at least one AP class

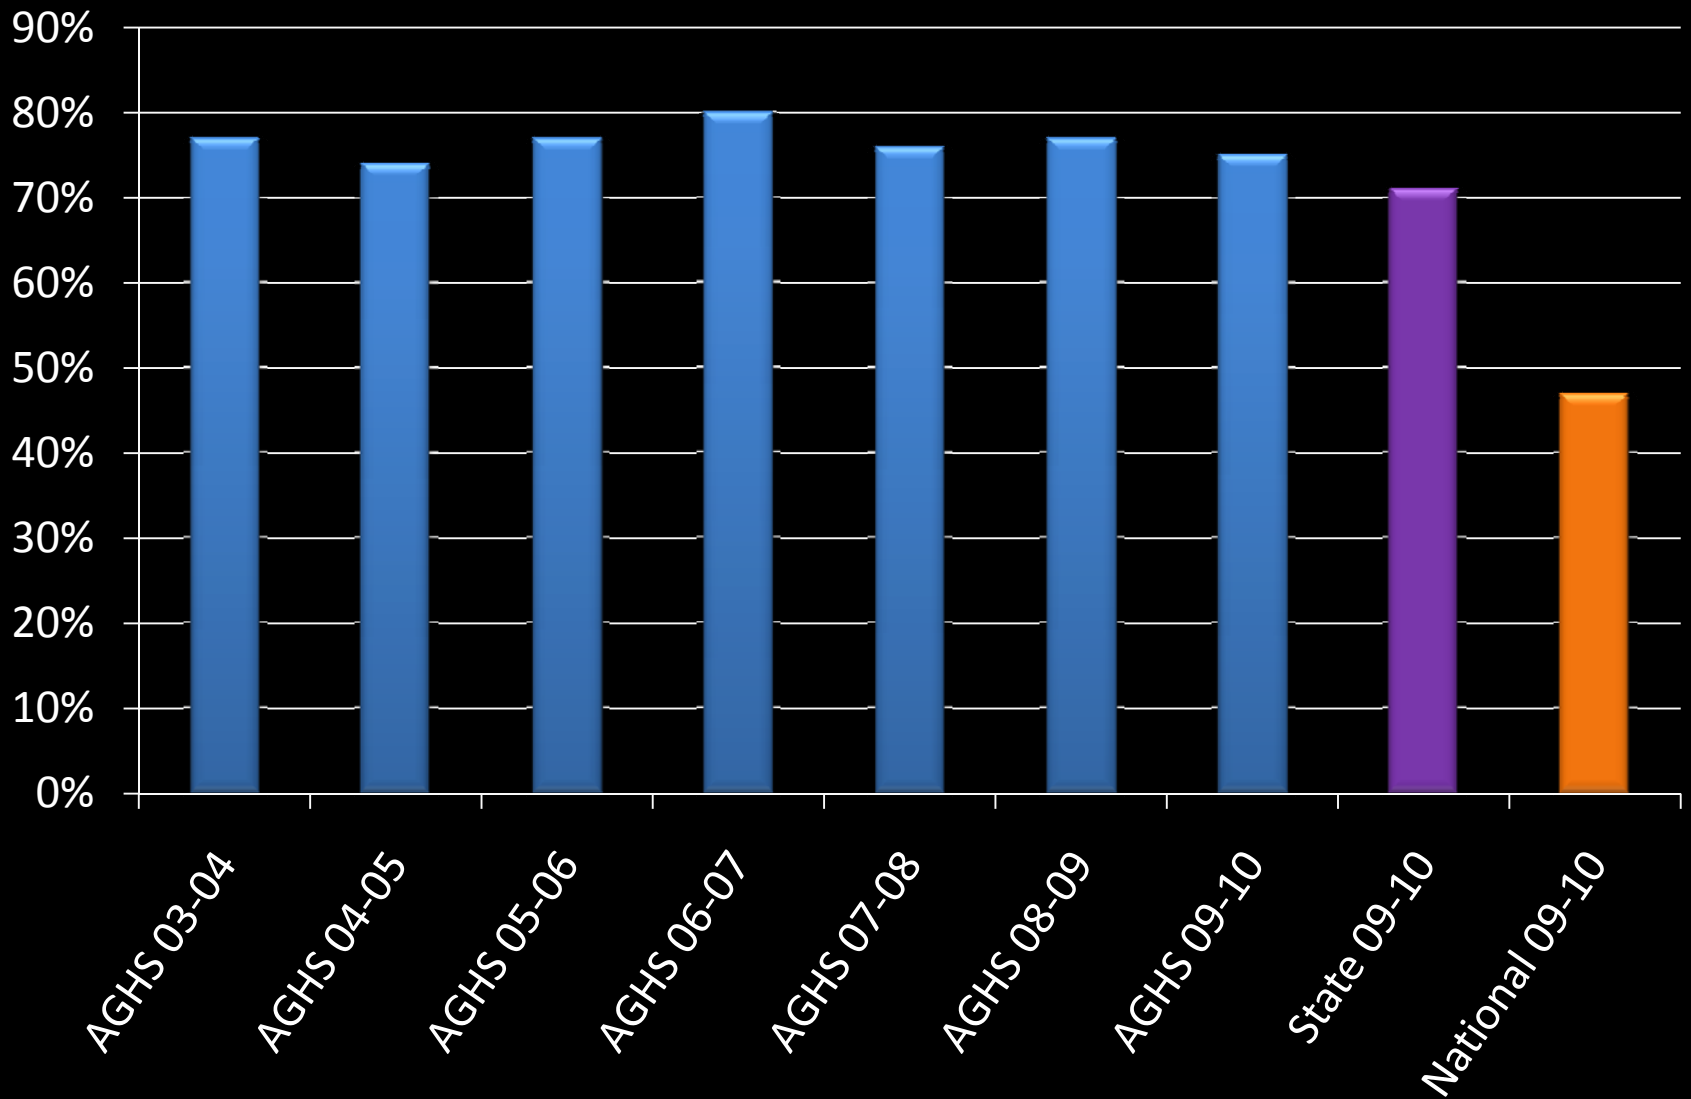

% Scoring 3 >

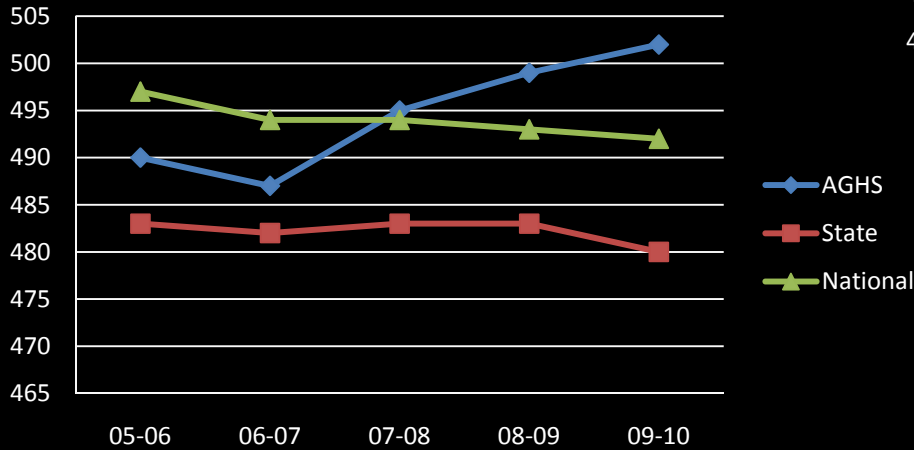

Increase the number of students participating in and successfully completing AP Courses (earning a score of 3 or better)

Percentage of Seniors taking the SAT

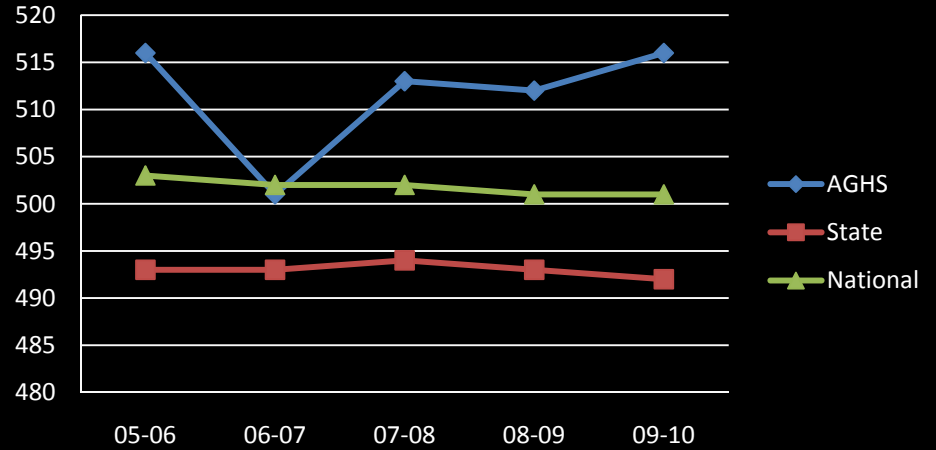

SAT Scores

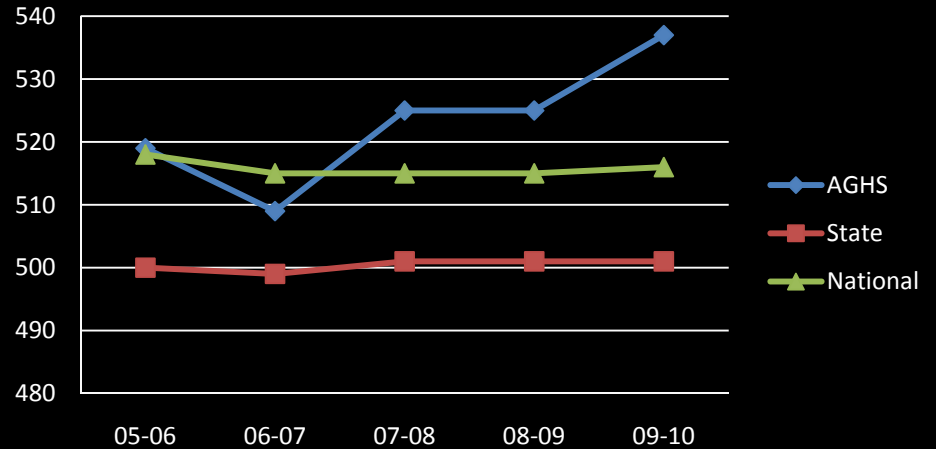

Writing

Reading

Mathematics

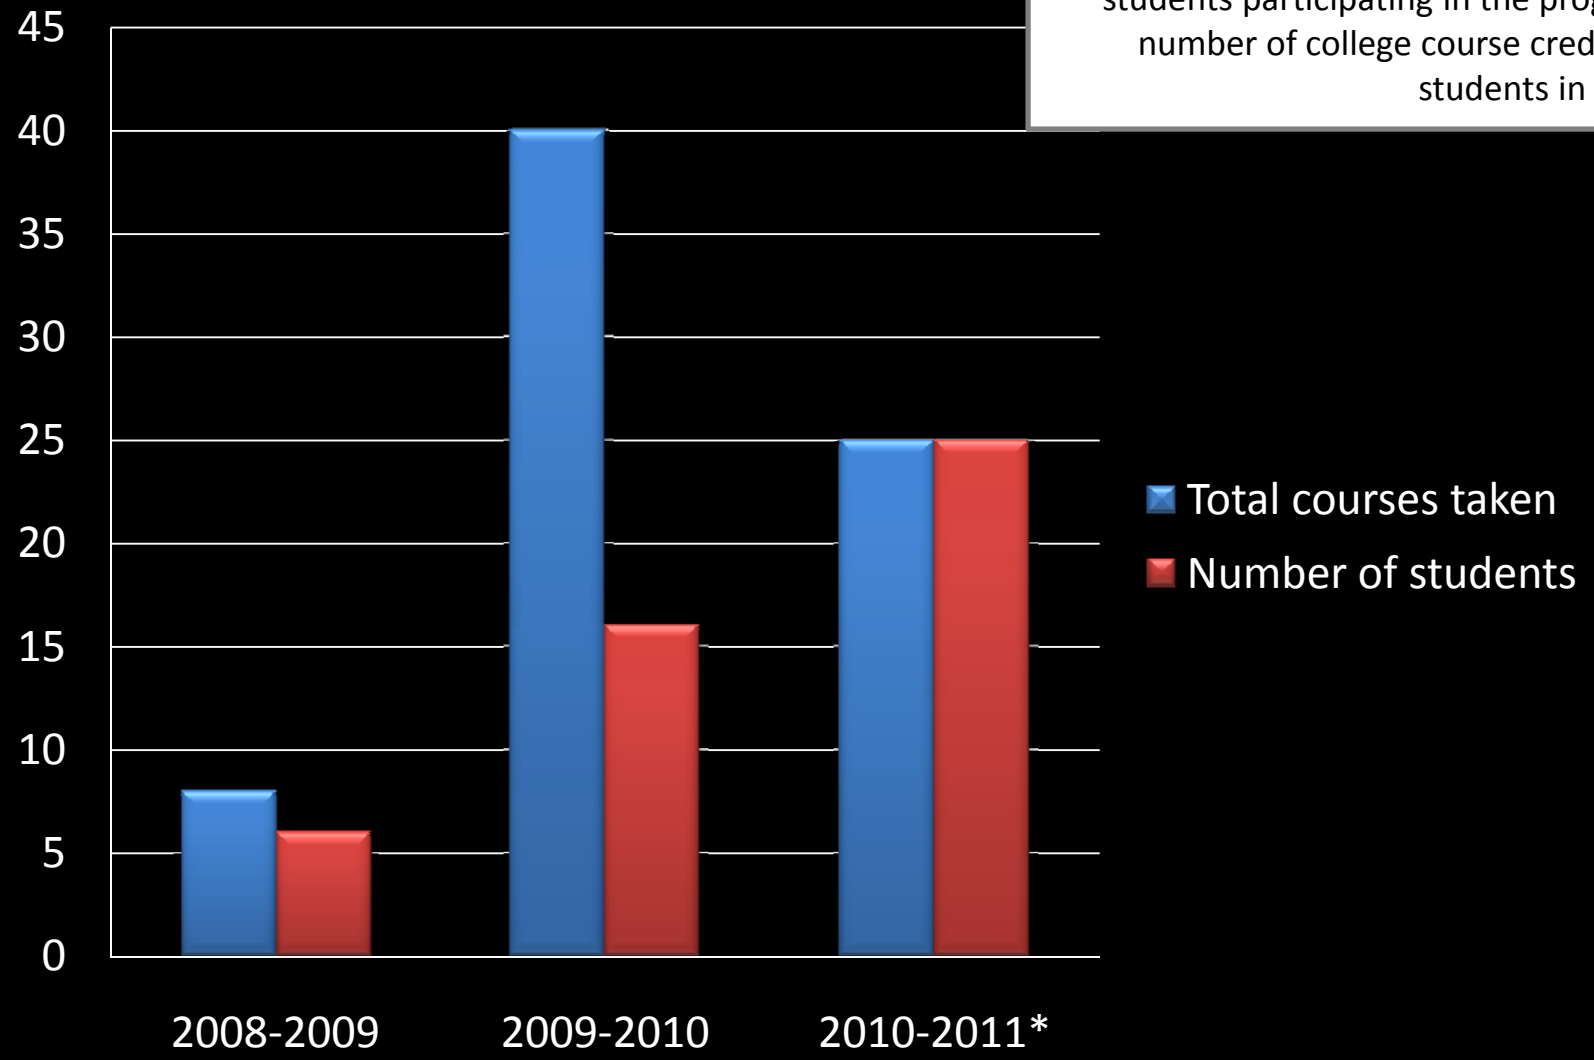

Increase the district average score on the SAT exam annually

District SAT average scores	
2008 Scores	2013 Targets
Reading (513)	Reading (520)
Writing (495)	Writing (500)
Math (525)	Math (530)

Dual Enrollment

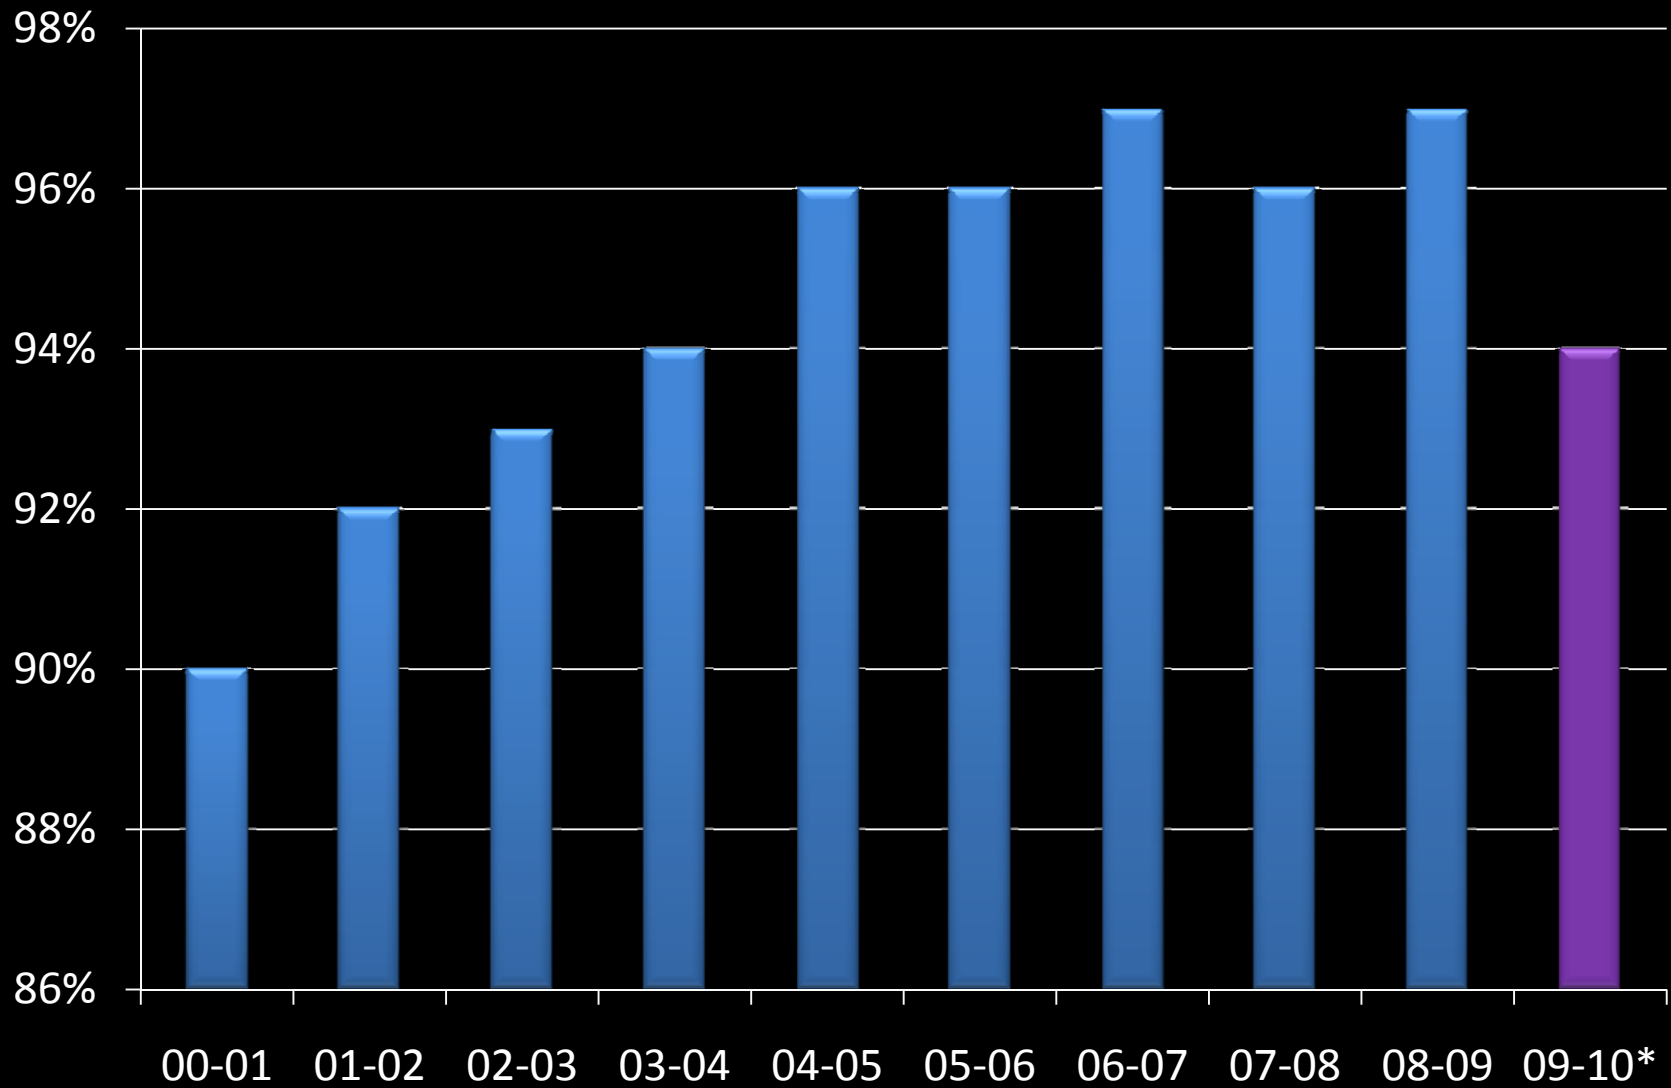

Implement Dual Enrollment Program beginning in the 2008-2009 school year. Monitor and evaluate program success measured by the number of students participating in the program and the number of college course credits earned by students in the program.

*Fall Semester Only

Graduation Rate

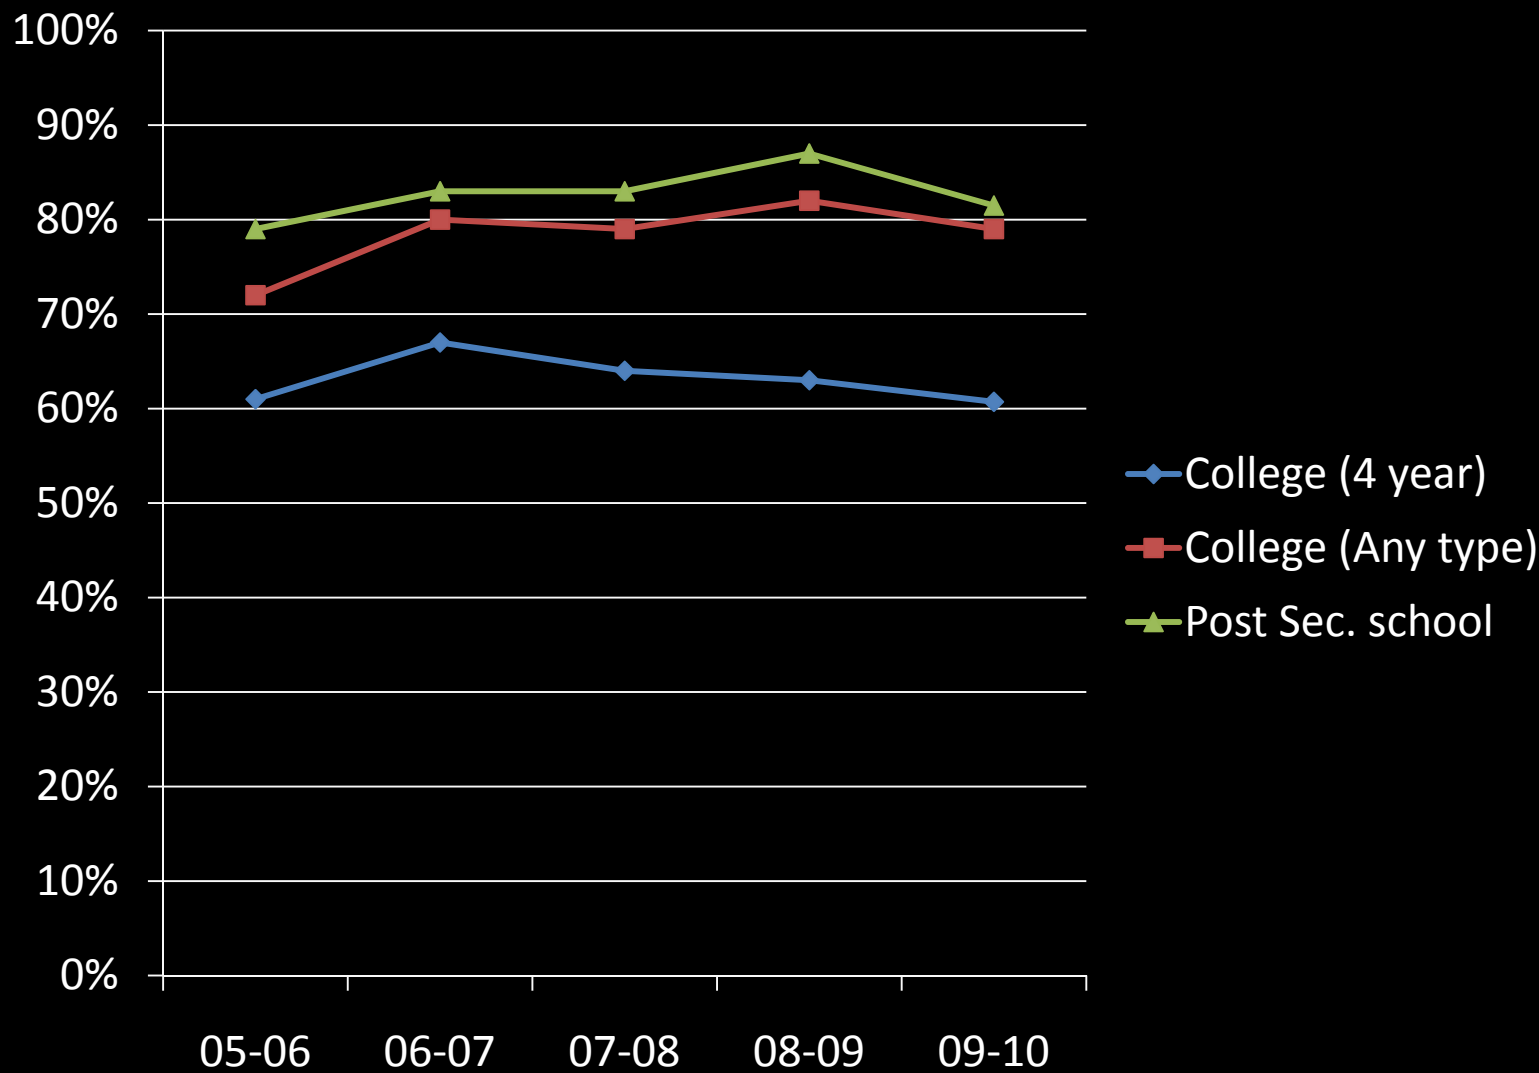

*Calculated using new 4-year cohort method

Post Secondary Education

Increase the percentage of children attending a post secondary school from 79% to 89%.

Student achievement is on the rise in AGSD !
