701. FACILITIES PLANNING	
<p>1. Purpose SC 701 22 Pa. Code §§ 4.13; 21.41</p>	<p>Strategic planning is desirable and is required by State Board of Education regulations. Community involvement is an important part of such a process. Facilities planning is a primary component of strategic planning.</p>
<p>2. Delegation of Responsibility SC 1351</p>	<p>In order to inform the Board of the future needs of the district, the Superintendent shall prepare a written description of existing physical facilities and shall</p> <ul style="list-style-type: none"> • annually report to the Board on the number of resident pupils receiving public transportation to private school by grades; • report to the Board on the enrollment by grades during the school year; • estimate each spring the number of students who will be enrolled in the schools of the district in September of the year for which the estimate is made; • prepare student population projections every year and compare the actual population figures to the previously projected figures to detect early for the benefit of the Board any changes in population trends; • report the number of resident pupils attending charter schools; and • report the number of home schooling students.
<p>SC 701 42 U.S.C. §§ 12101 et seq</p>	<p>In planning for the enlargement or modification of its facilities, the Board shall consider not only the number of children whose educational needs must be met, but also the physical requirements of the program it deems best suited to meet those needs.</p>
<p>SC 1351</p>	<p>The Board shall establish procedures for a continuing school census of all the children from birth to age eighteen (18) residing within the school district. The census information shall include the full name, date of birth, age, sex, nationality, place of residence in the school district, name and address of parent or persons in parental relations, the name and location of the school where the child is enrolled</p>
