

## **Reproduction of Copyrighted Materials**

In compliance with Board Policy 814, Copyright Material, copyrighted materials, print and nonprint, shall not be duplicated or published electronically unless such reproduction meets “fair use” standards or written permission from the copyright holder has been received.

The standards for “fair use” are found in the Fair Use Doctrine Administrative Rule for Board Policy 814. The Administrative Rule shall be posted or otherwise made available at each machine used for the making of copies.

The certified school librarian shall remain informed of any copyright laws that affect student and staff library use.
