Fred S. Engle Middle School Community Members,

It is indeed my pleasure to be joining the Avon Grove School District as the assistant principal of Fred S. Engle Middle School. I truly see it as an honor to serve the children of Avon Grove. I believe the Engle community is to be commended for your support and dedication to the educational process of all children, which is so obvious to me, even as a new addition to the district.

Graduating from Penn State University with a bachelor's degree in Education, I went on to receive my Masters in Educational Administration from Gwynedd-Mercy College. Prior to joining Avon Grove, I was an educator in the West Chester Area School District where I partook in many administrative experiences such as: Substitute Administrator, Summer School Assistant Principal, Grade Level Team Leader, Action Team Leader, Transition Coordinator, and Assessment Team Leader.

My vision as an administrator is to ensure that all students' needs are being met and exceeded, so to open the door to any desired possibility. A child's possibility realm is endless. It is vital that educators search for the right key, which will unlock the uniqueness, creativity, and enthusiasm within each child. My job is simple; it is to support, empower, and work closely with educators to ensure that their needs are being met so they can meet the needs of our students.

Enthusiastic about coming to Engle, I bring a strong work ethic, immense energy, passion for the learning process, and a deep belief in the team concept. From the start of the interview process I honestly believed that I was and am the perfect fit for the assistant principalship at Engle.

I'd like to thank the staff, students, and parents for welcoming me into your close-knit community. As assistant principal I have the same passion and love for the learning process as I did as a teacher in the classroom. I look forward to the opportunity to positively impact student learning and growth by working closely with the staff, parents, and of course the students themselves.

I am thrilled to be here for your children.

Fondly,

Mrs. Rebecca Eberly
