"Super Coins to the Rescue!"

Penn London students will collect coins to "help rescue" the people of Haiti during the next two school weeks, January 26- February 5. This phrase was coined by our students in Mrs. Menseck's first grade class. Mrs. Menseck's students will work with their Yellow Family to spearhead this effort. We will conduct a school-wide rescue with the nurses' support. The **PTA** will sponsor this relief effort. So let's dig into the bottoms of our wallets and under those sofa cushions to find some spare change! Thank you for your help with this service project

FROM THE LIBRARIAN

1) HOW TO ACCESS WORLD BOOK ONLINE:

Open Internet Explorer's "favorites" menu and click on "World Book Online." If you are at home, type in www.worldbookonline.com into the address box of Internet Explorer.

Use "avongrovesd" for the login id. Use "home" for the password.

You can choose World Book for kids, students, or the advanced level of World Book online. World Book Online is a subscription service. It can be used by you and your children at home. Enjoy! The information is highly reliable and authoritative, and much better than Google!

2) Dear parents, friends and families:

Would you be willing to give an hour or two a week to help in our library? We need volunteers to help put books away, assist children in finding books, and many other jobs we can teach you to do! No experience is necessary. Please send Miss Belnap and Mrs. Loeffler an email at plelibrary@avongrove.org. Thank you!
