AGSD Technology Fair & Science Exhibition-March 18

Please save the date and plan to attend Avon Grove School District's annual Technology Fair & Science Exhibition, scheduled from 6 p.m. to 7:30 p.m. on Thursday, March 18, 2010, at Avon Grove High School. Avon Grove students, parents, and community members are invited to explore instructional technology demos, interactive exhibits, and how-to technology sessions for parents. More than 40 instructional technology exhibits will be featured. Student science fair projects will also be on display. More information will be posted on the District's online Newsroom at www.avongrove.org as the event date approaches.

FROM THE NURSES' OFFICE: If your child has borrowed clothes from the nurses' office, please wash and return the clothing as soon as possible. There are many spills, falls and accidents each day. Getting the borrowed clothing returned is necessary to have a constant supply of clean clothing. In addition, if you happen to have any old pants that you would like to donate we could really use them.

IMPORTANT CORRECTION! The green **Cycle Days** calendar that came home earlier this week indicates that early dismissal begins on Monday, March 22. **That is incorrect. Early dismissal begins Tuesday, March 23, and runs through Friday, March 26.**
