INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form.

Sections 1 to 5 of the CIPPE form are completed by the Parent/Guardian by answering the questions below. Section 6, the Pre-Participation Physical Evaluation, must be completed by an Authorized Medical Examiner (AME) and turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than May 31st and shall be effective, regardless of when performed during a school year, until the next May 31st.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of the form (available from www.avongrove.org) and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

Please **print the PIAA Comprehensive Initial Pre-Participation Physical Evaluation and Certification of Authorized Medical Examiner**, have it completed by an Authorized Medical Examiner (AME), and return to your school's principal.
