August 22, 2017

To Avon Grove School District Residents,

The 2017-18 school year is underway for our Transportation Department, and with that are new challenges. PennDOT recently notified the District of changes to several local bridges, including the following three bridges with weight limits of 6-tons each:

- Ewing Road @ Penns Green Drive
- Ewing Road @ Tice Road
- Woodcrest Road @ Ewing Road

Additionally, the bridge on West Woodview Road (between Ewing Road and North Guernsey Road) will be closed from September 5, 2017 to November 2017.

We are unable to travel these routes due to the 20-ton weight of our 72 passenger buses. These limits and closures present challenges and limitations of routing options for our Transportation Department. We are in touch with Penn Township to evaluate the timeline of bridge replacements and the tonnage limits. As new information becomes available, we will post it on our District Website.

We apologize for any inconvenience this may pose, and appreciate your patience as we work together with all departments to provide safe and efficient transportation of our students.

Sincerely,

Avon Grove School District
Transportation Department
