Avon Grove Junior Earns Highest Possible ACT Score

Avon Grove High School Junior Noah Donten scored the highest possible ACT Composite Score of 36, an accomplishment that about one-tenth of 1% of students who take the ACT achieve each year. The ACT consists of tests in English, math, reading and science, and a student's score is the average of the four scores.

Snow Make Up Day

As you are well aware, a large snow storm required the school district to cancel school on January 26th. According to the Avon Grove School District calendar, the January 26th cancellation day will now be made up on Friday, April 1st.

Schools will now be in session on April 1st and students will report to school.

Winter does not officially end until March 20th. We will continue to post announcements regarding late openings or closings on our website and local television and radio stations.
