September 27, 2017

Dear Avon Grove Stakeholders,

During the 2017-2018 school year, the Avon Grove School District will embark on a comprehensive audit to evaluate the Avon Grove School District programming for our gifted students. The intent of this program audit is to identify the supports currently in place, review and align our supports to recognized best practices, and determine the actions needed to continue to strengthen our program.

The first step in this process will be to facilitate a stakeholders meeting to frame key questions and concerns that will guide the audit. This will be an opportunity for parents, teachers, Board members, and administrators to provide feedback and help the District to achieve the goals of our program audit during the 2017-2018 school year. As a valued member of our team, we cordially invite you to signal your interest in joining us at a work session on October 18, 2017 in the Avon Grove Intermediate School Audion from 8:30am until approximately 2pm to take a closer look at the educational needs of our gifted students.

****Please note, not all stakeholders who signal their interest in participating will be chosen to participate. An AGSD representative will contact those who are chosen.**

The session on October 18th will be facilitated by Mr. Jim LoGiudice and Ms. Cheryl Everett. Mr. LoGiudice has been involved in gifted education for over thirty years as a teacher, Bucks County Intermediate Unit Supervisor of Gifted Programs, past PAGE President, and consultant to school districts. Ms. Everett has worked in the field of gifted education for forty years as a teacher, Adjunct Professor, and Chester County Intermediate Unit consultant to school districts. She is presently an instructor for the PAIU gifted endorsement program. During the school year, Mr. LoGiudice and Ms. Everett will work with district administration and staff to guide this process.

Please kindly signal your interest in participating by completing the Google Form RSVP at this link- [Gifted Stakeholder RSVP](#). Once the period to indicate interest in participating has closed; we will contact those who have been chosen as representatives. Thank you for your interest in supporting Avon Grove School District in our effort to improve our programming.

Sincerely,

Jeremy W. Curtis, M.Ed.
