

## After Prom Meeting Notes – December 6, 2016

Entertainment – Need to solidify soon, so can get the process moving

- We got confirmation from Bev Moyer that Jon Dorenbos is not available. Started on Plan B. Buddy Orozco recently saw a young comedian, in his 20s, at the Candlelight Theater. He said he was tasteful and the kids would enjoy him. He is going to look into this guy or see if the Theater knows of similar comedians who would be in the area in June. Mary Beth was also going to look into the young adult comedy clubs in Philly to see if anyone was available. Action: Buddy and Mary Beth

- Fortune tellers. Possibly a parent to have fun with it, but idea was shot down by the others. Looked into a Zoltar Fortune Telling machine. Quote - \$1,440 for the machine and 500 customer fortunes (50 different kinds) for \$500. Posted a query for a live fortune teller who has worked with youth on the WGMB on Facebook. Mary Beth is going to ask the caricaturist and Amy will ask Bette's Bounces whether they know of anyone in the area. Action: Amy and Mary Beth

- Cindy Bhan said that Penn London PTO has cotton candy, popcorn, and hot dog machines. She was going to check with them to see if we could borrow them. Also some decorations used at their annual carnival. Action: Cindy

- Air Brush tattoo - Jennifer Montgomery said two of the artists she used raised their prices beyond what she wanted to charge, so she is no longer working with them. As such, not available on the night of After Prom. She probably can provide a Henna artist, she'll check availability after I get back to her and confirm an interest. This would be \$375 for 3 hours, instead of \$425. The Henna artwork lasts 1-3 weeks, depending on where it is placed. Would this appeal to males? Amy posted for a quote on GigSalad. Received several responses – need to provide them feedback. Emily, our caricaturist last year, is not available. Received quotes from several other places. One place \$375, but suggest two artists, for the number of attendees, for \$700. Another quoted \$300. Need to check reviews. Action: Amy

- Bette's Bouces – Amy and Janice will determine the set of bounces to send forward to business manager for approval. Action: Amy and Janice

Fundraising -

- Received around \$2,150 in from the letters sent in October. Mary Beth will contact Jennersville Hospital since they continue to list AGHS AfterProm as a donation recipient. Will also check with Penn Medicine. Action: Mary Beth

- PA Office of Attorney General (Community Drug Abuse and Prevention Grant Program). Kim and Amy will work on gathering the necessary information and prepare it for submission in January. Kim provided Leslie with a copy, so she can provide the required data. Action: Kim and Amy

Decorating – Carnival/Boardwalk

Quick look on Shindigz for possible ideas. They have several photo stands, ex. Bearded lady, could use if don't find someone to build. Also fortune teller stands and other similar ideas. Also some for Boardwalk.

#### Volunteers –

Kim will develop a SignupGenius asking for parents to help in all the areas we know, but also in other interests such as carpentry, painting, etc. She'll send it to Mary Beth and Leslie who will send it out. Will do this in January. Action: Kim  
Need to find someone to handle food, see below. This is well documented, just need someone to knock on the doors (Starbucks, Giant, etc.) and let them know we want them again.

#### Food -

Already have the Iron Hill commitment. Kona Ice said she is interested in participating again. Discussed having a seating area out there. This goes along with the carnival/Boardwalk theme. Possibly baby pool with water or water balloons.

District provides a food handler and they have all the desserts.

Still need to find a chair.

#### Student Organizations -

Mr. DeShong is going developing a focus group made up of all classes and including representation from different groups. They will meet the beginning of January and end of January. We will have our January AfterProm meeting in between, so we can look add discussion points or feedback.

Student Government - will meet with them after the Break

SADD - they are working on a fundraiser

FCA - Kim will touch base with them about a fundraiser. Action: Kim

Next meeting - Wednesday, January 18, 2017.
