

Villanova NROTC

Summer Seminar

June 18-22, 2023

Are you thinking about joining the military after high school? Would you like the military to pay your college tuition? Maybe the military service academies are not for you? What is NROTC all about anyway?

Join us **June 18-22** to get the answers.

To submit your application for this unique experience at Villanova, please visit:

What You'll Get!

- A taste of college life
- A chance to tour the campus and meet with various members of the Villanova community
- An overview of the program and course schedules
- Learn how to apply for a NROTC scholarship
- An understanding of college majors most closely associated with a NROTC scholarship
- A chance to meet Villanova NROTC Midshipman
- A Chance to meet current Navy and Marine Corps Officers
- A look at career opportunities in the Navy or Marine Corps
- An opportunity to listen to informal classroom lectures by Villanova professors
- Even if you're considering a different academic institution, you'll receive a wonderful experience in how NROTC students balance their college life with their military commitment following graduation

Requirements:

- ✓ High school rising seniors or current university students interested in the program
- ✓ Physically fit
- ✓ Academically strong
- ✓ Interest in military

In keeping with Villanova policy, all camp participants must be fully vaccinated prior to the start of the camp. Please visit the following website for the most current Villanova COVID vaccination information
