Each Avon Grove High School student participating in one or more interscholastic athletic program and/or one or more non-academic competition activity, as described below, shall annually pay a one-time, non-refundable fee of $150.00 for the 2016-2017 school year.

The fee schedule for 2016-2017 shall be as follows:

$150.00 for competition teams (including interscholastic athletic programs, cheerleading, color guard and indoor percussion)

$25.00 for clubs, activities, and intramurals with a District-paid advisor

The fee must be paid by each participant prior to the start of the first regular practice or the first event. For activities or athletic teams that have tryouts to determine team or activity members, the fee must be paid after the tryouts are completed and within one week of the date the team or group was selected.

Waiver of the fee, based on the proven financial hardship, may be considered by the High School Principal, or the Director of Athletics and Student Activities on a case-by-case basis and granted at their sole discretion.
Participation in the Avon Grove High School athletic program is a privilege accorded to students who meet all eligibility requirements, are selected after a try-out period, and who represent their school responsibly. Playing time is not guaranteed and will be determined at the discretion of the coach. In this handbook, student-athletes and their parents will find information related to the Avon Grove High School athletic program. Please read it carefully.

**Eligibility Requirements**
Avon Grove High School, is a member of the Pennsylvania Interscholastic Athletic Association (PIAA), which has established certain eligibility requirements. Any student who participates in interscholastic athletics at a PIAA member school must adhere to all PIAA rules. Failure to comply with PIAA rules will result in loss of eligibility to represent Avon Grove High School in interscholastic athletics. Cheerleading is a varsity sport at Avon Grove High School, but is not recognized as an interscholastic sport in the PIAA. Ice Hockey is a club sport. At Avon Grove High School members of the Cheerleading squads and Ice Hockey Clubs are subject to the same rules and regulations as all other student-athletes.

Additional eligibility requirements are set by the Chester-Montgomery County League (Ches-Mont) and Avon Grove High School. These requirements must also be met by all Avon Grove High School student-athletes.

These requirements are summarized in this Handbook for student-athletes and their parents. Additional requirements are noted in PIAA and Ches-Mont publications. Questions regarding PIAA, Ches-Mont, or Avon Grove High School regulations should be referred to the Director of Athletics and Student Activities.
Pre-participation Requirements
Each student-athlete must turn the following into the Athletic Office before participation in any practice or games for any interscholastic sport:

Turn these in every school year:
1) Avon Grove School District Athlete Personal Information.
2) Section 1—PIAA Emergency Information including medical insurance information.
3) Section 2—PIAA Certification of Parent/Guardian.
4) Section 3—Understanding Concussions and Traumatic Brain Injury
5) Section 4—Understanding of Sudden Cardiac Arrest Symptoms and Warning Signs.
6) Section 5—PIAA Health History.
7) Section 6—PIAA Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE). The CIPPE form may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the next May 31st.
8) AGSD ImPACT Testing Informational Permission Letter.

Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete the following:
1) Section 7—PIAA Parent Re-Certification form—required before every subsequent season, signed no earlier than six weeks prior to start of season.
2) Section 8—PIAA Physician Re-Certification form—Athletic Trainer will determine if this form is necessary based on Section 5 information.

For Wrestlers Only:
1) Section 9—PIAA CIPPE Minimum Wrestling Weight—This will be completed by one of the AG athletic trainers with the student.

Age Requirements
High school age students, are eligible to participate in interscholastic sports. If a student turns nineteen (19) on or after July 1, the student
shall be eligible, age wise, to compete through the following school year.

**Academic Requirements**
A student-athlete must meet the following academic requirements:
- A student-athlete must pursue a curriculum defined and approved by the principal as a full-time curriculum.
- Every student-athlete is required to do satisfactory school work.

The following regulations govern academic eligibility:
- Grade averages are based on the student's cumulative average to date during the marking period.
- During the season, coaches are notified on a weekly basis by the Director of Athletics and Student Activities about the academic status of their student-athletes.
- If a student-athlete is FAILING a course(s) during the athletic season, he/she will meet with the coach or Athletic Director/Activities Director to discuss his/her academic situation, but may continue to practice and play that week. If the student is FAILING two or more courses then the student will be immediately ineligible in games and practices for the following week (Sunday through Saturday).
- If a student athlete is FAILING a course for a second week during this/her respective season, they will be suspended from games for the following week (Sunday through Saturday). The student athlete may continue to practice that week. The purpose of the weekly Ineligible PROBATIONARY period is to give students time to improve their grades. A student remains on Ineligible PROBATION for the entire week.
- If a student athlete is FAILING a course for a third week during his/her respective season, he/she will be eliminated from participation in practice and games/performances for the following week (Sunday through Saturday). The purpose of the weekly Ineligible PROBATIONARY period is to give students an opportunity to improve their grades. A student remains on Ineligible PROBATION for the entire week.
• Students experiencing academic difficulty are encouraged to seek help by contacting their teachers and guidance counselors.

• Students are allowed THREE chances during the season to improve their grades. A fourth weekly ineligible infraction, whereas a student-athlete is FAILING ANY COURSE(S), will result in the student-athlete being removed from the team for the remainder of the season.

• Any student-athlete failing a course(s) for a marking period is ineligible for ten (10) school days starting the first official PIAA date of the next sport season. Students failing a subject(s) at the end of a school year will be ineligible for twenty (20) school days. In that case, the ineligibility starts the first official PIAA date of Fall Sports. Students passing summer school courses may become eligible at the start of the new school year.

**Attendance Requirements**

• A student-athlete must be regularly enrolled as a full-time student at Avon Grove High School or attend a charter or cyber charter school which does not offer the same activity or be homeschooled. If a student-athlete is absent from school for a total of twenty (20) or more days during a semester, a student-athlete will lose eligibility until he/she has been in attendance for a total of forty-five (45) school days following the student-athlete’s twentieth (20) day of absence.

• Students must be in attendance for at least 1/2 the school day (by 11:00 AM) to practice or compete on that day. Exceptions must be pre-approved in writing by the Director of Athletics and Student Activities.

• This attendance requirement is in effect for all regular school days, including the days when quarterly exams are scheduled.

• Students who are excused from PE class or choose not to participate in PE class on a given day are ineligible for athletic participation (competition or practice) for that day.
Transfer Student Requirements
A student-athlete is treated as having transferred whenever a student-athlete changes schools, even if a student-athlete is out of school for a period of time before entering the new school.

If a student-athlete transfers from one school district to another, a student is eligible immediately at the new school:

- When a student-athlete lives with a student-athlete’s natural or adoptive parents in the new school district.
- When a student-athlete lives with a court-appointed legal guardian in the new school district, upon approval by the PIAA District Committee.

Other situations are possible and are listed in their entirety at www.piaa.org.

If a student-athlete transfers from one school to another for athletic purposes, or if a student-athlete was recruited, a student-athlete will lose athletic eligibility for a period not to exceed one year. This requirement applies even if a student-athlete would otherwise be eligible at the school to which a student-athlete transferred.

Amateur Status
To be eligible to participate in a sport, a student-athlete must be an amateur in that sport. A student-athlete will lose amateur status in a sport for at least a year if:

- A student-athlete, school, or an organization which a student-athlete represents, receives money or property for or related to student-athlete’s athletic ability, performance, participation, or services.
- A student-athlete accepts compensation for teaching, training, or coaching in a sport. A student-athlete must receive normal and customary compensation for acting as an instructor in or officiating recreational activities, or for serving as a lifeguard at swimming areas.
- A student-athlete may receive awards only from a student-athlete’s
school, a PIAA sponsored athletic event, the news media, or a non-profit service organization approved by the school principal. Permissible awards are a sweater, jacket, blazer, blanket, shirt, jersey, watch, ring, scroll, photograph, metal plaque, or similar trophy, which must bear appropriate organizational insignia or comparable identification. The fair market value of the item must not exceed $500.

**All-Star Contests**
Student will lose eligibility in the involved sport for one year if they compete in a “closed” all-star game where participants are chosen based on “reputation” of the athlete or referral/recommendation of others and where there is not a “tryout” process or uniformed standard of qualification. Participants do not represent the school and may not wear any school-affiliated uniform and/or apparel in the contest. If uncertain about participation, please contact the Director of Athletics and Student Activities.

**Transfer Students**
Student-athletes who transfer after the start of a season and participated in a PIAA sponsored contest at a previous school will not be eligible to participate in that sport without obtaining a participation waiver from the PIAA. Students should contact the Director of Athletics and Student Activities to assist in the process of applying for a waiver. This process includes the school principal sending the waiver and the appropriate letter to the PIAA Executive Director. The decision will be rendered by the PIAA.

**Communication**
The coaches and administration of Avon Grove High School welcome communication with student-athletes and their parents/guardians regarding athletic issues. All coaches, the Director of Athletics and Student Activities, and the Sports Boosters Organization can be reached by leaving a message with the athletic secretary in the main office. Coaches may also inform student-athletes of other work or home tele-
phone numbers or e-mail addresses where they can be reached. Refer to the written team rules given out at the beginning of each season for this information.

Contact Coaches to discuss any issue regarding an individual student-athlete, including skills development and performance, team policies and regulations, and excuses for missed practices or contests. Contact the Director of Athletics and Student Activities to discuss any health or safety concerns, the overall athletic program, transportation and attendance exemptions, academic or eligibility matters, or any concern that is not resolved through a parent-coach conference. Contact Sports Boosters to volunteer as a team parent, participate in fundraising events and Homecoming activities. Check the district calendar for Booster meeting dates.

**Transportation**

Riding together as a team to and from an athletic contest is part of the athletic experience. The following regulations govern athletic transportation:

- All members of an athletic squad must ride to and from scrimmages and contests on school-provided transportation.

- Exceptions to the above policy, which will make it possible for a student-athlete to compete and still meet other school or family commitments, may be granted at the discretion of the head coach and should be pre-arranged. School or family commitments are the only grounds for exception.

- To be granted exception, the student-athlete must present a written request in advance from a parent or guardian setting forth the reason(s) for the exception. The request from a parent/guardian must include the method of transportation to be used, a statement of the responsibility for the student-athlete's safety, the date(s), and the event(s) for which the exception is requested. Written requests for exemption from student athletic transportation must be signed by a parent/guardian and must be hand delivered to the head coach. It will be the responsibility of the coach to bring the transportation notes to the main office.
There are (4) alternate methods of transportation acceptable to the school.

- Transportation provided by the parent or guardian.
- Licensed student-athletes driving their own cars.
- Student-athletes permitted by their parent/guardians to ride with another licensed student-athlete who also has parent/guardian approval.
- Student-athletes permitted by parent/guardian to ride with a coach must submit a written request to the main office to be pre-approved by the Director of Athletics and Student Activities.

Every effort is made to insure that injuries do not occur. Students are required to follow their coaches’ procedures for conditioning, warm-up, stretching, cool-downs and to exercise caution when using athletic equipment.

- Students must report all injuries to the coach immediately so that proper treatment may be given. Do not leave a practice or contest without notifying the coach.

- Any student that sees a physician for any injury must turn in a clearance note to the athletic trainer from the treating physician.

purchase prom tickets, go on senior and school sponsor trips, or attend school dances until bills are paid or items are returned.
