This discount only applies to two consecutive seasons.

Yearly Fee Eligibility

Any organization that operates a non-athletic program throughout the course of an entire school year (September - June) may be eligible to qualify for a discounted rate for the year. To qualify for the discounted rate, the organization must rent a facility a minimum of once a month throughout the course of the school year. Special events or gatherings outside the organization's normal activities do not qualify for this discounted rate. This fee is charged per space rented.

A seasonal lock/unlock fee is offered to organizations that anticipate renting facilities for multiple weekends during a given season. A one-time lock/unlock fee is offered for \$500 that covers an unlimited number of uses (per building), and must be paid at the beginning of the season. This fee is non-refundable.

Garbage Pickup

Any groups utilizing District dumpsters to dump garbage from an event will be assessed a \$35 dumpster pickup fee to cover the cost of an unscheduled pickup.
