Tuition will be calculated using Pennsylvania Department of Education form PDE-2061,
as approved, with a separate rate for elementary students (grades 1-6) and secondary
students (grades 7-12). The tuition rate for kindergarten students will be equal to one half
of the elementary student rate.

Tuition is payable, in advance, in equal monthly installments due on the first day of each
month. The amount due each month is calculated by dividing the annual tuition by ten
(10). Payment is to be made by check or money order payable to the Avon Grove School
District. A final reconciliation of tuition will be based on the approved daily rate (annual
rate divided by the number of days in the school year) and the actual number of days
school was in session from enrollment to the date of residency.

Prior to receipt of the approved tuition rate from the Pennsylvania Department of
Education, the previous year's rate shall be used with an adjustment made, if necessary,

upon receipt of the Department of Education’s approval. This information is typically received in May of each year.

The Avon Grove School District will not provide transportation services for tuition students.

Parents who anticipate moving into the district during the month of September shall pay tuition. Upon final settlement on the property and moving into the residence in September the parents may apply for a refund of tuition paid for the period of the month they were not residents of the school district.

Other than stated herein, tuition payments are non-refundable.

Tuition must be paid in full, in advance each month. Non-payment of the agreed upon amount shall result in the disenrollment of the student(s).

We agree to all terms and conditions of this agreement and will pay monthly tuition in the amount of \$ _____, as calculated below.
