

Dear PLES Families,

This week on morning announcements, we focused on our expected behaviors in the cafeteria during lunch. Ask your student this weekend what volume level they should be at when eating lunch. We also had a fire drill today and students did a fantastic job exiting the building quickly and quietly!

Reminder, students are allowed to wear costumes to school on Monday, 10/31. Students should come to school in their costume and please no glitter, masks, or weapons.

Please remember that if you are volunteering in school, your clearances must be up to date and on file with the district office. This is true for all adults even if you work in education or law enforcement. Please visit the [volunteer section](#) of the district website for more information. Thank you for your understanding in helping us keep our school safe!

Happy Halloween and go Phillies!
