Re: Elementary Campus Carline Procedures

Dear Elementary Campus Families,

Avon Grove School District (AGSD) has had an opportunity to review the traffic flow on the elementary campus during student arrival. If you choose to drive your child to school rather than utilize district-provided transportation, then please review the following carline procedures.

If you are dropping off at Penn London Elementary School (PLES):

Drivers must enter the campus using Rt. 796/S. Jennersville Road, and turn onto Quimby Road, at the electronic sign.

- If traffic permits, drivers will be directed by Signal 88 Security personnel to turn left toward PLES and follow the standard drop off route, as shown in blue on the [Elementary Campus Carline Diagram](#).
- If traffic is backing up, drivers will be directed by Signal 88 Security personnel to continue straight and then turn right toward Avon Grove Intermediate School (AGIS). Drivers should loop around, as shown in purple on the attached diagram. ***Please DO NOT make a U-turn on Quimby Road, as it poses a safety hazard.***

When exiting the campus, drivers **MUST** turn right out of the campus. **No left turns are permitted during the hours of 8:30 a.m. to 9:30 a.m.**

If you are dropping off at AGIS:

Drivers must enter the campus using Rt. 896/Newark Road, and turn onto Violet Lane, at the traffic light.

- Follow the designated path through the parking lot, as shown in red on the attached diagram.
- All drivers must exit the campus the same way they came in, using Violet Lane.

If you are dropping off students at both schools:

Please drop off at AGIS first, by following the procedures above and exiting the campus using Violet Lane. Turn right, onto Rt. 896/796. Turn right onto Quimby Road and follow the drop off procedures above for PLES.

Other Reminders:

- Drop off begins at **8:20 a.m. and homeroom starts at 8:35 a.m.**
- Pick up begins at **3:20 p.m.** and ends at 3:40 p.m.
- Parents/caregivers must remain in their vehicle at all times.
- Please **DO NOT** move cones for any reason.

These procedures have been created to keep campus traffic moving in a safe and orderly manner. We appreciate your support and cooperation.
