

## **PAC Minutes 11/18/2015**

### **Welcome & Introductions:**

Leslie Erb Wallace gave introduction.

### **Minutes:**

- No minutes available from prior meeting.

### **Principal Report:**

- Scott DeShong did not attend meeting. No report.

### **Financial Report:**

- Teresa Hanrahan completed audit of our books. Results found minor (missing signature) things but overall very good review and audit. Credit to Joelyn Berger for keeping accounts organized and up to date.

### **Fundraiser Ideas:**

- **Wine Tasting Canceled due to lack of interest.**
- **Sports Memorabilia:** 15 Items available. Jackie Traino suggested an Ebay auction in order to connect with correct audience. Could also tie into Guest Bartender event and have items bid on through a silent auction.
- **Guest Bartender Event:** Jody Proietto offered to take lead on this event. Discussed possible venues including, Brandywine Brewing, Sawmill Grill and Pub, 6 Paupers, Ugly Mug in Oxford and Giordanos. Concerns voiced as to viability of event as tickets did not sell for Wine tasting. Also need to clarify if fundraising would benefit PAC or After Prom. Christine Plankinton offered to get info from BBC. Saturday afternoon would be a good time for event. Could advertise via social media. Would need to identify possible Guest Bartenders.
- **Food Truck Fundraiser:** Oxford PTA holds something similar for their district. Chester County requires specific Chester County Food License for any businesses that participate. Could coordinate with spring sports. Trucks could be charged a flat fee or a percentage of sales. Flat fee could be more advantageous to PAC and easier to acquire. Would need to file a facilities request if cafeteria space is utilized. Check that there is no conflict with concession stands. Need to explore this option further to see if it is viable.

**High School Bell Schedule:**
